Planning and implementing activities related to summer learning and supplemental afterschool programs

- Does your LEA currently offer After School or Out of School Time programming? How has it adapted during these times? How could this funding support those programming needs?
- Consider implementing enrichment programming in Out of School Time learning to increase engagement and information retention.
- Consider sub-contracting with a local organization for out of school programming.
- We are working hard to provide relevant resources and information. Check back soon for updates to this page!
